Instructions

I want to introduce you to Penguin Learns The Alphabet. I created this package to help my 6 year old learn his alphabet letters. I hope you enjoy!

Included in this package:

Alphabet Poster
26 Penguin Letter Pages
26 Alphabet Fish Pages

Alphabet Poster - The alphabet poster is a cute page with 26 penguins. Each penguin has a different letter of the alphabet on his belly (uppercase and lowercase). There are many different ways that you can use this poster. Here are a couple of ideas:

- You can print out the poster and laminate it. You can use it to learn or review the letters of the alphabet.
- You can print out the poster and laminate it for use as a reference to the letters of the alphabet when you are doing other phonics activities.
- You could print out the alphabet poster and cut it up to make penguin flashcards. You could laminate or contact paper the individual flashcards.
- You could print out the alphabet poster and cut it up to make penguin flashcards - make 2 sets and play a memory game. You could laminate or contact paper the individual flashcards.
- You could print out the alphabet poster and cut it up to make penguins to

match to the penguin letter pages. Penguins could be laminated and placed on the pages or not laminated and simply glued onto the penguin letter pages.

-You could print out the alphabet poster and cut it up to make penguins and print out the alphabet fish pages and match them to each other.

Penguin Letter Pages - There is one letter page for each letter of the alphabet. A cute little penguin sits at the bottom of the page with an uppercase and a lowercase letter on his belly. The rest of the page is blank. There are many different activities you can do with these pages:

-You could use the penguin letter pages as mentioned above (in the alphabet poster section) or as mentioned below (in the alphabet fish pages section).

-You could cut up pictures of things that begin with the different letters and glue them onto the penguin letter pages.

-You could cut up words of things that begin with different letters and glue them (or sort them) onto the penguin letter pages.

-You could practice printing the various letters onto the correct pages.

-You could sort letter tiles onto the penguin letter pages.

-You could use foam letters or stickers and put them onto the penguin letter pages.

-You could print out the penguin letter pages and put them in alphabetical order down a long hallway.

-You could print out the penguin letter pages and put them in page protectors and match the correct fish.

-You could print out the penguin letter pages and staple them together to make an alphabet book and use a variety of the above ideas to fill it.

Alphabet Fish Pages - The alphabet fish pages include 26 pages (one for each letter of the alphabet) with 12 fish on each (6 uppercase letters and 6 lowercase letters). They can be used with the alphabet poster, penguin letter pages or for any other use.

-Print out the alphabet fish pages and cut out the fish. Sort the fish out and glue them onto the appropriate penguin letter pages.

-Print out the alphabet fish pages and cut out the fish. Laminate the fish and sort them onto the appropriate penguin letter pages.

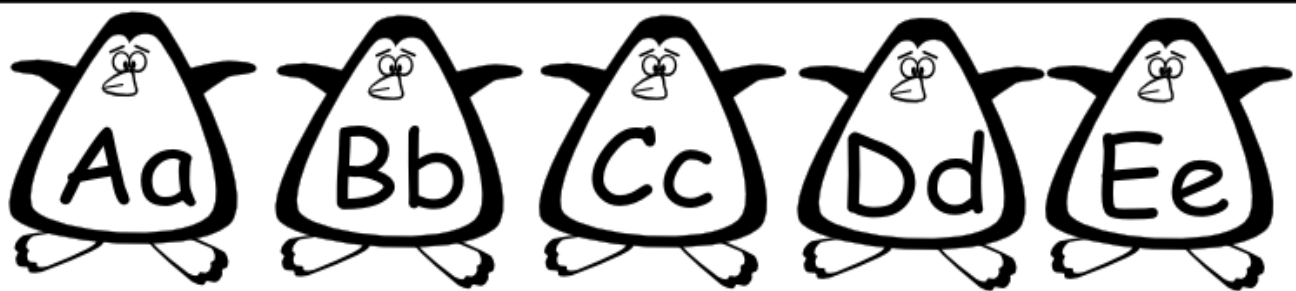

-Print out the alphabet fish pages and sort them into alphabetical order.

-Print out the alphabet fish pages and create words with them.
